

# THE EGYPTIAN JOURNEY

with ASAR/RASA

"Self-empowerment, your truth and the healing of mind, body & spirit...

...at this pivotal time in our own and in our planet's healing & ascension."

November 20 - December 2, 2005

Join Channel, Fletcher Johnston and Tour Leader/Egyptologist, Amro Mounir, as we journey back through time and space to access our hidden truths, our remembrances of Pharonic healing, and integrate these into our present life; while activating our SELF-EMPOWERED / AM SELVES for each of us, and for the planet which nourishes and supports us.

The journey beings in Cairo with a visit to the Giza Plateau to see the ancient Sphinx and the Pyramids. We will then fly south to beautiful Lake Nasser to visit the engineering marvel that is the Temple of Abu Simbel, staying overnight in Abu Simbel. The next morning, we fly to Aswan, and enjoy an afternoon sail on a traditional Egyptian sailboat, called a felucca, to visit Elephantine Island and then on to the Temple of Isis on the Island of Philae.

While enjoying our Five Star Cruse down the Nile, we will stop to visit the temples at Kom Ombo, Edfu and Esna. Our cruise ends in Luxor (*the ancient city of Thebes*), where we will explore the Temple of Osiris/ASAR at Abydos, the Temple of Hathor at Dendera, the vast temple complex at Karnak, the Valley of the Kings and Queens, the Temple of Hatshepsut, the Colossi of Memnon, and the Luxor Temple.

Then back to Cairo with visits to the Egyptian Museum (including the world famous treasures of King Tutankhamun), Saladin's Citadel with its Alabaster Mosque, the ancient capital of Memphis, and the Step Pyramid of Saqqara. Still in Cairo, we will participate in a private ceremony with ASAR/RASA in the Great Pyramid and then ride into the desert on your choice of camel or Arabian horse to experience the Solar Cross at the center of the Earth.

All along the way, you will enjoy ample opportunities to shop and to bargain with local merchants for gold jewelry, souvenir T-shirts, statues of the ancient Egyptian gods and goddesses, papyrus, hand-made rugs, alabaster treasures, Egyptian perfumes and more...Unique Holiday Gifts!

You will have many opportunities to capture exquisite photo/video images of Egypt's beauty and its many sacred sites, as well as, connect with the hearts of the Egyptian people and with the very heart of Egypt herself, which is part of your cellular memory.

The complete price of the Egyptian journey is \$2,795 and includes round trip airfare from New York to Cairo, inter-Egypt airfares, airport transfer fees, ground transportation, baggage handling, entrance fees to all temples and museums, five star hotel accommodations (double occupancy), Five Star Nile Cruise Ship for a four day cruise, most meals and the full time services of an Egyptian tour guide/Egyptologist. Also, included are all tips, as well as, all group exchanges with ASAR/RASA. The cost of an optional single room upgrade is \$479.
